Looking back to look forward.

We look to remain true that  
our world would look like if  
we took a different route to  
our present - Not seeing our  
ancestors as primitive,  
but rather embracing + building  
on their past knowledge + experience,  
with an environment + a strong focus  
on commitment to the planet.  
- an optimistic future

THE HUMAN FIGURE IS  
BURIED + OBSCURED
