*“Stillwater connotes something very peaceful,  
you see, life without stress...  
Life is to be enjoyed, not saddled with.  
Joy is there for the taking  
That’s the first commandment of  
the Stillwater religion.”*

## Early 3D Development

Wire structures mimicking carpet beater shapes and attaching power mesh in different ways.

Looking at pressed flower print positioning and colours inspired by Joe Horner.

Collaging with 3D work to see how it could be applied to the body and experimenting with print placement and colour.

Attempt 1

Attempt 2

Power mesh ‘leg-of-mutton’ sleeve.  
Gathering the material onto the wire  
to create ruched effect.  
Elasticated opening.

Attempt 3

Look 4 details.  
Inserting PVC tubing into channel to create definition.  
Back panel designed to be reminiscent of a carpet beater.
