

# Wisteria

# Wisteria

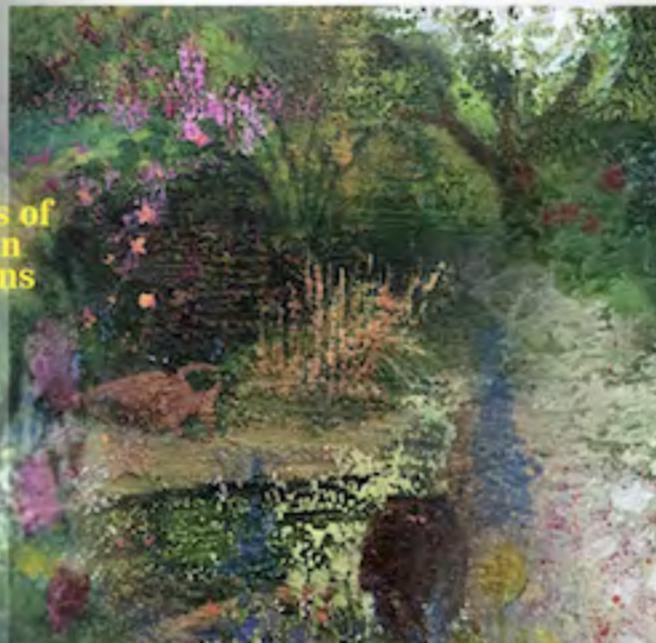

wisteria will take us on a journey of everlasting wisdom.  
a constant search of knowledge burstfull of warm beauty, love,  
creativity, innocence and purity.

bringing the innocent of childhood this collection is a poem  
where I paint the lines of life, using the shape of a flower  
to represent it.

# Garden series

by kitty wass

a series of  
very small  
paintings

dreams of  
italian  
gardens

wild flowers  
in switzerland

to be young,  
and to be  
**reckless**

use of floral  
patterns in the  
mid 1960's, in  
the work of  
mary quant  
and in children's  
fashion

## orange off-shoulder blazer

bringing  
fashion  
collage to  
life by  
recreating  
or creating  
designs

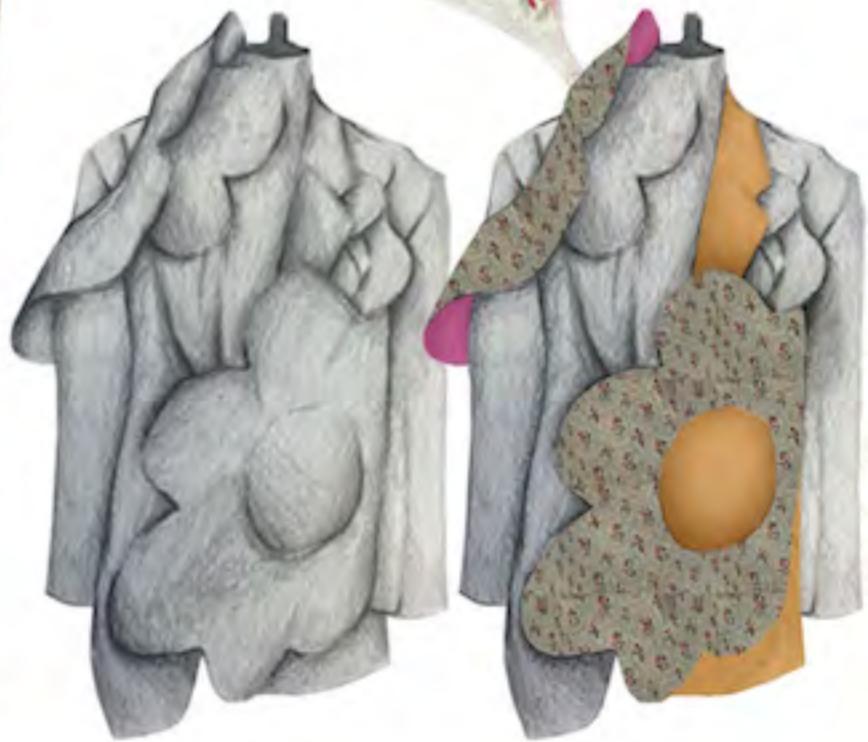

position  
of flowers 2

→ pocket!
