WALD

It's the near future, World has been taken over by monsters, biker gangs & under ground club kids is what seems to be left of humanity. They join forces, learning from each other, quickly becoming scavengers! Club kids scavenging the ground for materials they could use for Camp looks, highly influenced by the bikers.

SHAPE FROM MANNEQUIN TAKEN FROM HIP PADS.

POTENTIALLY ADD STUFF UNDER LACING

ADD BOOB CUPS + FULLY COVER W/ BEADING + SWAROVSKI

(MAD) FIGURING OUT HOW TO MAKE CORSET + SIDE HORN ONE PIECE

ADDING TUGGLES MAKING THE DRESS MORE ADJUSTABLE

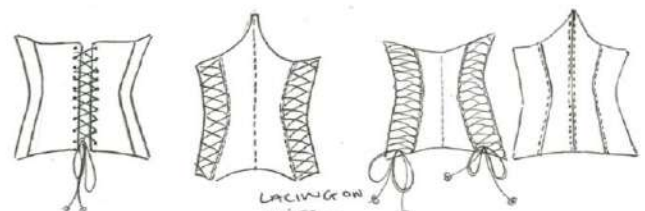

SOMEONE INSIDE JUST SEWED ON - RIPPED CHANNELS?

- HAVING CHANNELS WOULD AVOID HAVING UNNECESSARY SEW LINES

CORSET DETAIL

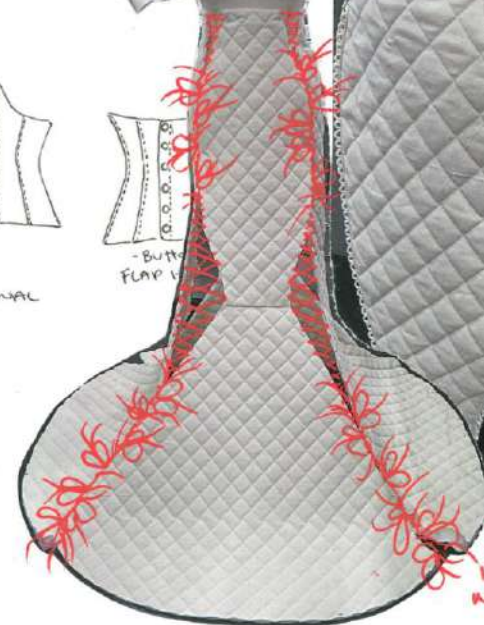

LACING ON SIDES - DECORATIVE NOT FUNCTIONAL

- BUTT FLAP

- FABRICATION FOR HIP PADS + CORSET BUT TRIMMED ON CORSET TO AVOID BULK.

CUT TO EVEN OUT THE CIRCLE

TUGGLES + LOOSE ELASTICS ADDING INTERESTING MOVEMENT WHEN WALKING.

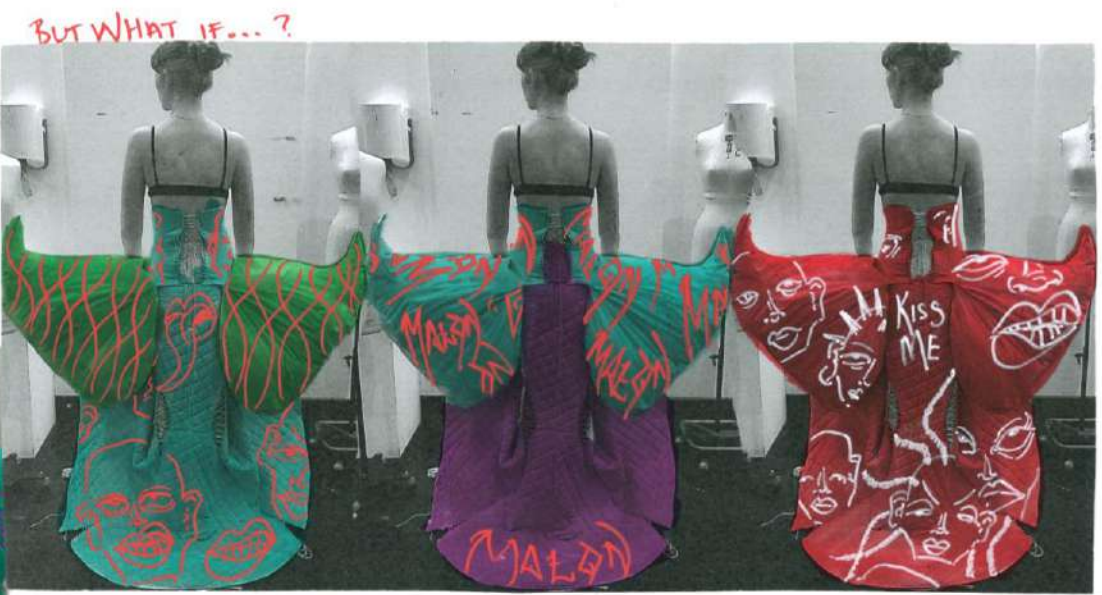

UNWHERED LACE

Future worlds

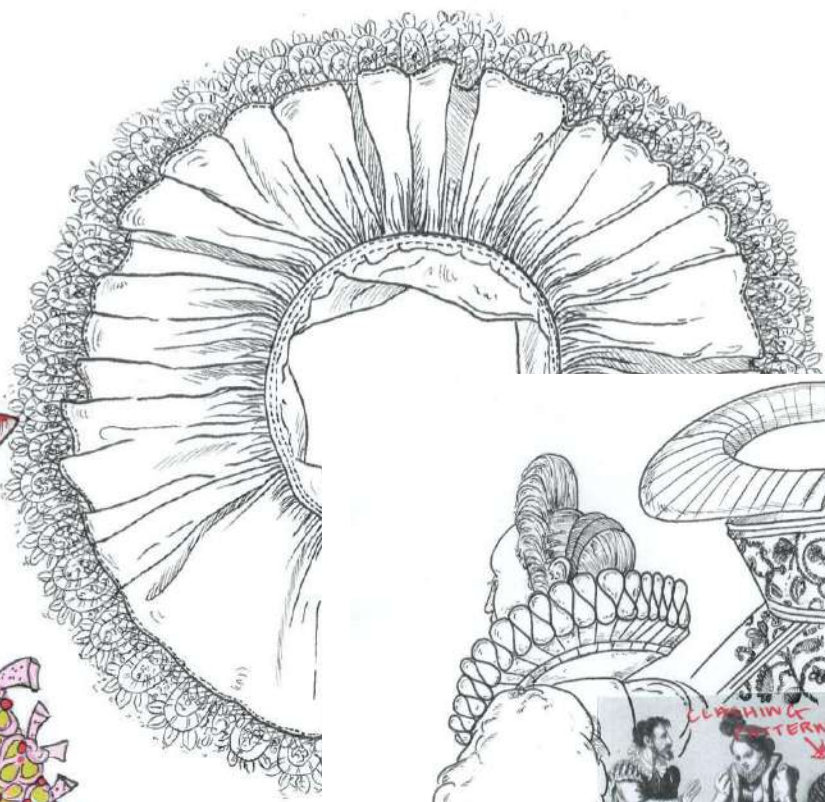

A PREDICTION INTO THE FUTURE IF THE HUMAN RACE CONTINUES TO DISREGARD CLIMATE CHANGE, WHEREBY EARTH BECOMES UNSUITABLE TO LIVE ON. EXTREME WEATHER IS CONSTANT AND THE LITTLE POPULATION THAT REMAINS IS WAR-TORN. NATURE HAS SEIZED THE EARTH AND IS FINALLY THROWING THE MAJORITY OF THE HUMAN RACE HAS VENTURED OUT INTO SPACE AND IS CONFINED IN A 60S TIME-WARP.

MEANWHILE, THE REMAINING POPULATION, THAT LIVE ON EARTH, LIVE IN UNDERGROUND BUNKERS USING AND REUSING EVERY AVAILABLE RESOURCE CONVENTIONAL OR UNCONVENTIONAL. UNDOUBTELY, THERE IS NO OPTION, BUT A SUSTAINABLE LIFESTYLE!
