Weilin Song

Co-Dream

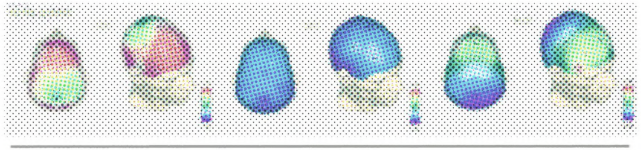
If we can not record a dream,
why not just create one.

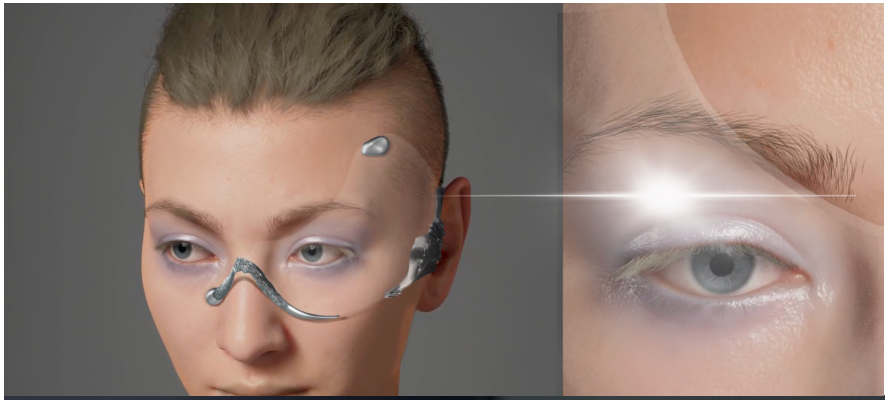
XR Glasses

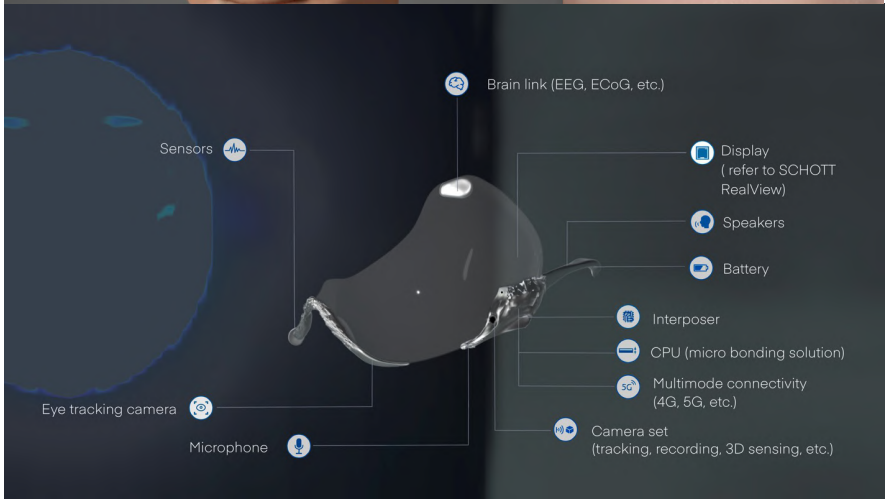
Modularization function conponents

Awake sleep stage 1 sleep stage 2 sleep stage 3 sleep stage 4 REM sleep

Light dream Deep dream







Entrance to machine culture

A culture land for machine and human dream together

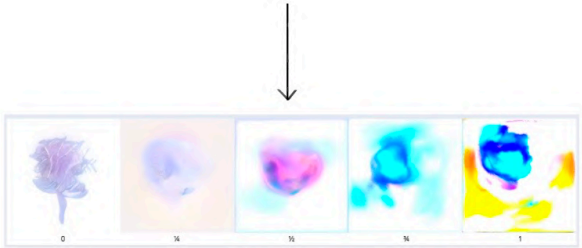
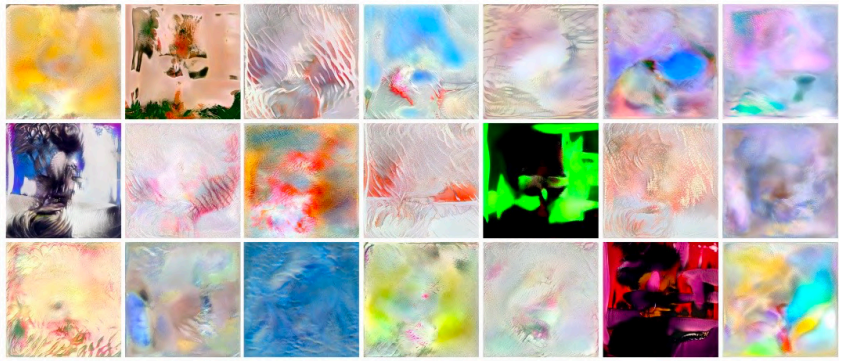
Waterfalls at sunset

Blue coat in water

An alien on a spaceship

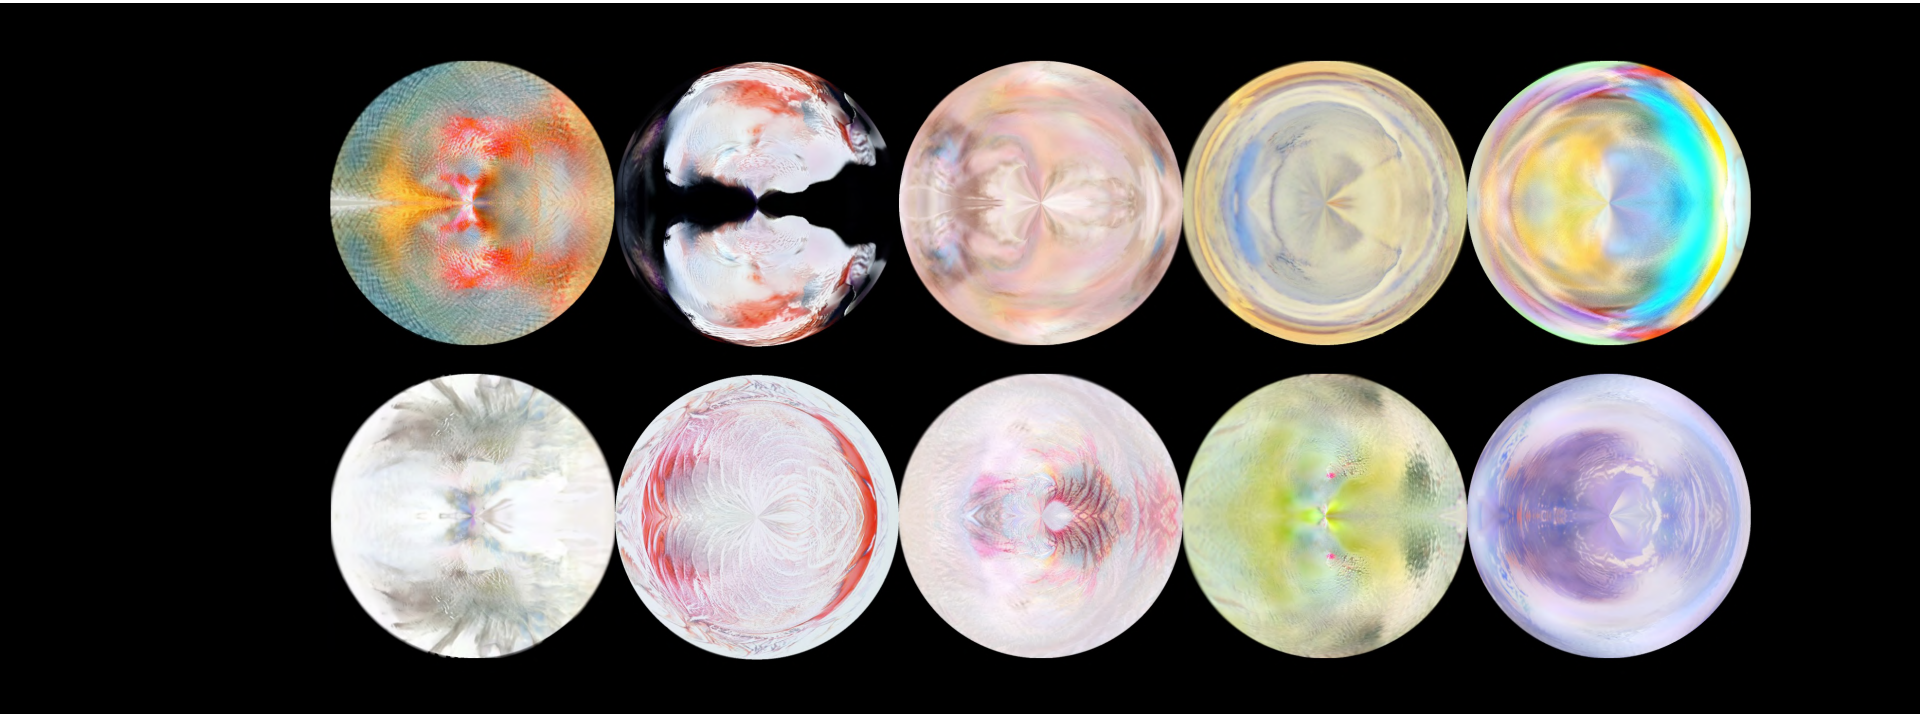


Create my works gene and add to abrove



Dream Round

Collection 0001-0010



Generate the content of the dream by input words

Hand.

Water mountain.

Berry.

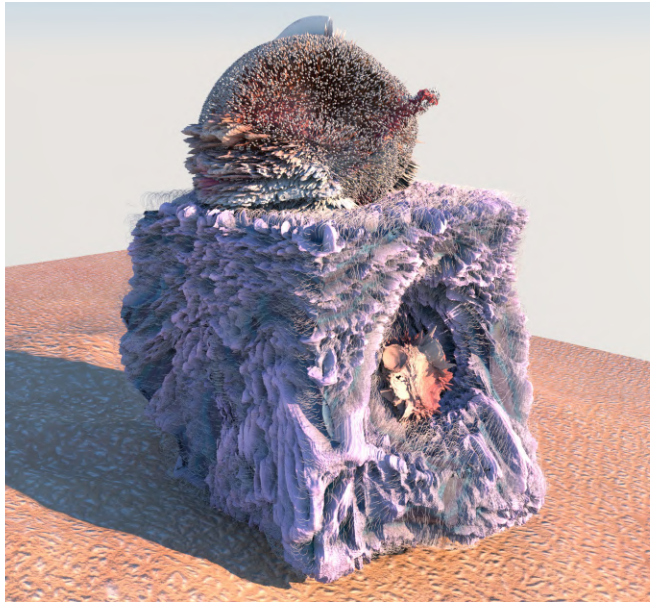
Clothes rack.

The stories that ai develops from words can also be used as a source of inspiration

Sweet dream

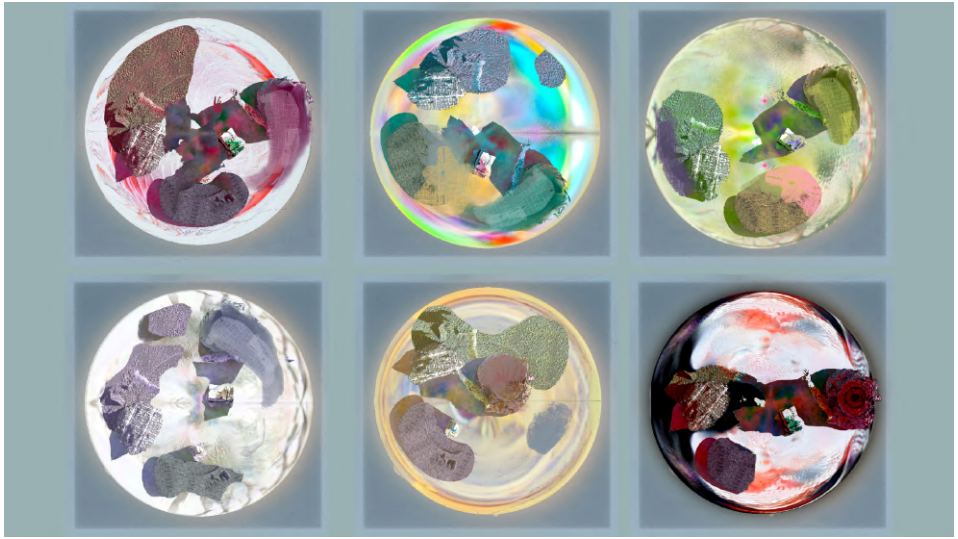
Happy emotion contains 40%

Young atmosphere contains 60%



Dream Island

Every dream can be a separate island. All islands can be stored on the blockchain as metaverse buildings.



Machine learning knitting

Regard a knitting machine as a independent machine implanted with imperfection AI. Reinterpreting knitting with machine cognition & mood added.
