The Grand National

The Pentland Churchill Wardrobe Competition

Erin Sloan

UoS

From playing Polo to watching Horse Racing Churchill was a man of many interests and talents, which led me to become inspired by the Grand National, something which is still to this day celebrated.

Sound Remedy

In a world full of chaos, it is important that we have something to keep us sane, and for me in many ways this is sound, something that contributes to human betterment and wellbeing. From meditation and spiritual practices to celebration and music, Sound makes us feel all sort of emotions, helping us to enhance our mood, perform better and connect with one another.
