

BACK TO THE GLAMOUR

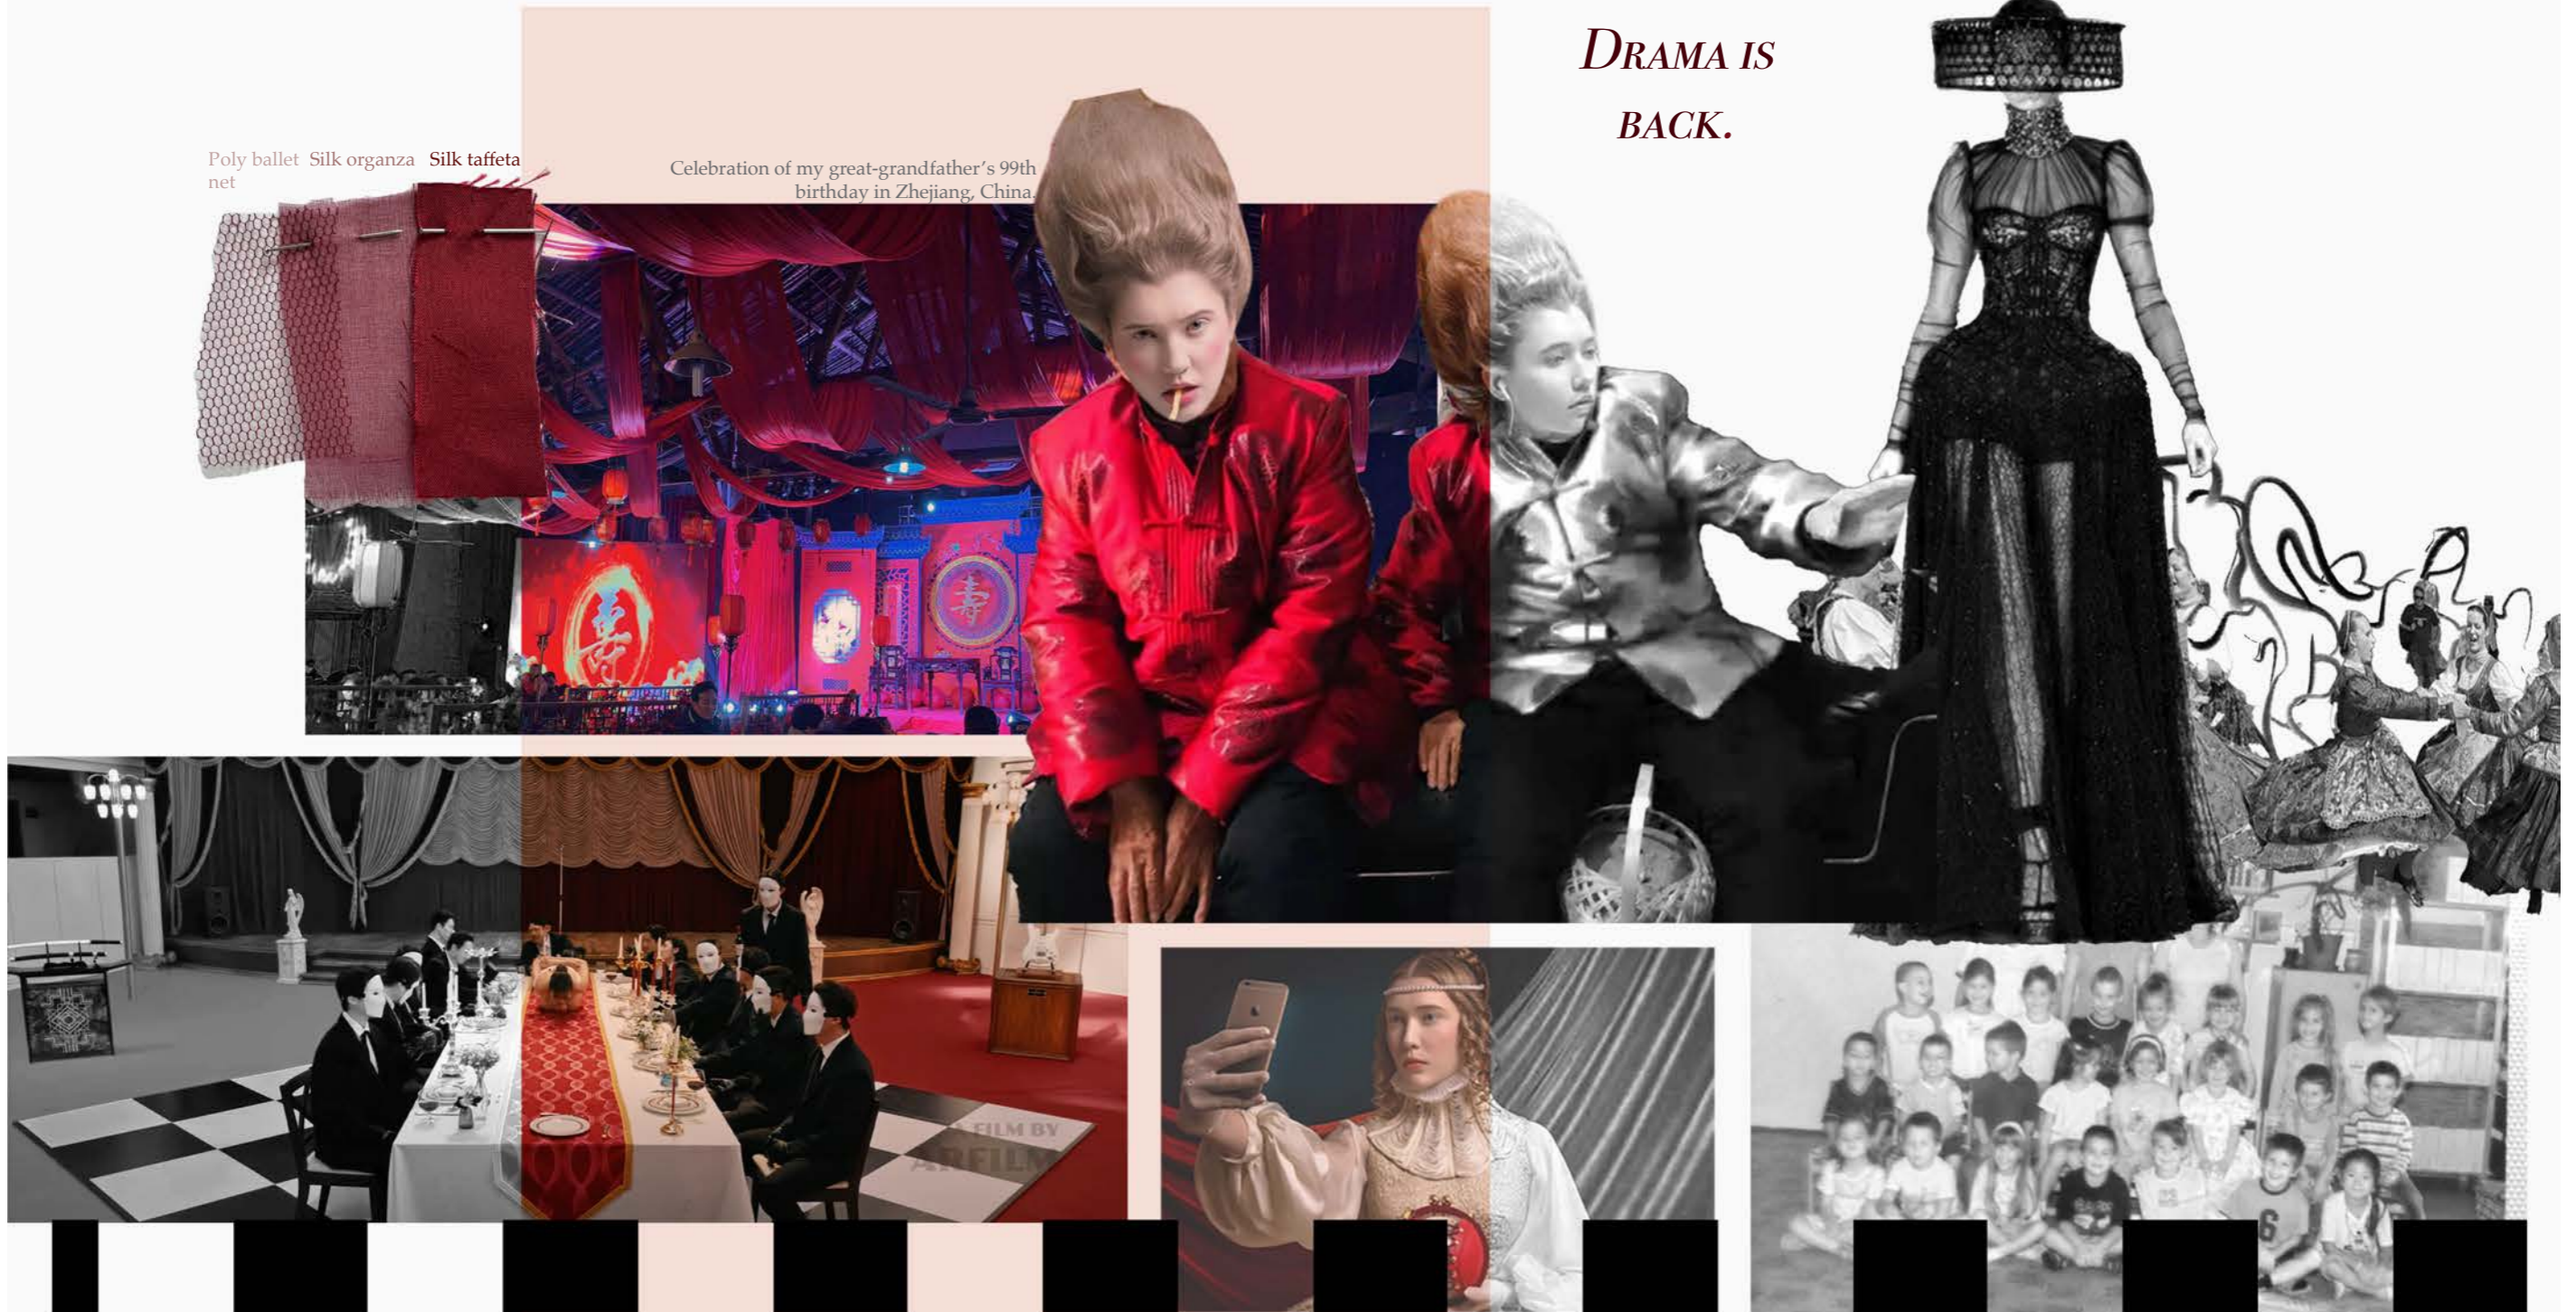

The theme of this collection is the conflict between capitalism and the ritualistic senses. In today's society, most trends and tastes depend on capitalist decisions; the real meaning behind celebrations and traditions is hidden by "ways of earning money". I would like to transmit a sense of returning to the purest significance of the celebration. Capitalism is everywhere, we cannot abandon it, so just merge it to our taste instead of being led by it.

*THIS IS A GRAND AND GLAMOROUS CELEBRATION.
JUST DIP IN AND START ENJOYING THIS OVERLOOKED DRAMA.*

Poly ballet Silk organza Silk taffeta net

Celebration of my great-grandfather's 99th birthday in Zhejiang, China

*DRAMA IS
BACK.*

Budapest, Hungary, in 2005, with my kindergarten class.

Red cropped and fitted jacket made in lightweight silk taffeta. Fastened by hook & eye stripe on both collar and front jacket opening. The jacket is emphasized by an extremely long and pointed collar and a gathered on three levels organza trail, secured by hand-catching over the top.

Side arm length: 38,5 cm
Wrist length: 28cm

Collar height: 6,5 cm
Undercollar height: 4cm

Gathered organza trail
hand-stitched over the
jacket

Red mermaid skirt with shaped peplums over the waist, made in lightweight silk taffeta. It is fastened by a invisible zip on the centre back, a high level split is placed on the centre front.
